Measure, Appointment or Topic: SB1543

Dear Chair Gorsek, Vice Chair Weber, and members of the committee,

I drive a car and ride a bicycle a lot of Oregon. Oregonians need Guardrails for Good Governance and Measure What We Drive to pass. We need to make every investment count without leveraging our future. Oregonians desperately need projects to prioritize maintaining current roads and bridges, investing in safety, and advancing a climate-forward transportation sector.
