Committee:

House Committee On Revenue

Measure, Appointment or Topic:

HB4148

HB 4148 would affect small motels & hotels. it will negative impacts hotels by having less funding for tourism marketing, in turn we would have fewer visitors. It would also create a competitive disadvantage vs. states that heavily fund tourism.

Finally, government may treat hotel taxes as general revenue, and with political pressure create future increases.

I oppose HB 4148 and implore you to also oppose it.
