

Submitter:

Joanne Carlson

On Behalf Of:

Committee: House Committee On Agriculture, Land Use, Natural Resources, and Water

Measure, Appointment or HB4105
Topic:

With everything else going on in this country, let's have Oregon be the one to lead in pro-environment issues, like this one. Please don't waste time and money on this legislation, and instead prioritize clean air, water and soil by preserving our beautiful and important forests.
