House Committee On Agriculture, Land Use, Natural Resources, and Water

Measure, Appointment or
Topic:

HB4153

Farm stands are an element of the road side for my entire life, and I am over 55. I personally work to sustain my connection to local growers and producers by purchasing through these farm stands. Many farmers will not be sustain yet another hit to their bottom line. These are the people feeding my region and others within their reach. Legislation should be aimed at increased support, not regulatory burden.
