

Submitter:

Trupti Patel

On Behalf Of:

Committee:

House Committee On Revenue

Measure, Appointment or Topic:

HB4148

HB 4148 will affect small motels & hotels. it will negatively impacts hotels by having less funding for tourism marketing.

Also, government will treat hotel taxes as general revenue and with increased government funding deficit, it will create the possibility of future increases in taxes to fill in the gaps in funding.
