Resources, and Water

Measure, Appointment or Topic: HB4105

I urge you to vote no on House Bill 4105 which would weaken protections for Oregon's public state forests. The bill would require the state Department of Forestry to establish a timber harvest rule that prioritizes logging over fish and wildlife habitat, carbon storage, and recreation. It would put drinking water for the half-million Oregonians who rely on state forest watersheds at further risk. Please vote NO.
