

Submitter:

Linore Blackstone

On Behalf Of:

Committee: House Committee On Agriculture, Land Use, Natural Resources, and Water

Measure, Appointment or HB4105
Topic:

I oppose 4105, HB.

I bet if we that support it, those of us not loggers or lumber companies, were required to be there as the forests were chopped, habitats destroyed, waters spoiled, at least you would have stood by your word which sanctioned the chopping. There are always consequences. How do you un-chop a tree?
