Measure, Appointment or Topic: SB1593

Chair Meeks and members of the committee

I strongly support SB1593 pertaining to waivers for recreationally activities with the addition of an amendment allowing guardian signatures.

This bill personally affects me as I engage in outdoor recreational activities. Small businesses are the cornerstone of the activities that I enjoy. My family and I witness the strain put on Oregon small businesses who are faithfully trying to help me enjoy the places that we love. This bill helps families and small businesses. Please pass SB1593 with an amendment that allows for guardian signatures.

Thank you,

Scott Strickland
