Measure, Appointment or Topic: HB4113
Chair Marsh, Vice-Chairs Breese Iverson and Andersen, and Committee members:

Please vote "NO" on HB 4113.

A 5th generation Oregonian, I value the land use and conservation laws we adopted decades ago to help keep our state healthy environmentally and economically. Upholding our land use system is key to both.

This bill is proposed to benefit one private stakeholder at the expense of our rural lands and sensible land use planning. With so many other important priorities in front of you, I hope you will vote "NO" on HB 4113.

Sincerely,

Dan L. McFarling
