

Submitter: Oriana Korol
On Behalf Of:
Committee: Senate Committee On Health Care
Measure, Appointment or Topic: SB1570

RE: Testimony in Support of SB 1570-1
To the Senate Health Care Committee:

Healthcare only works when privacy is guaranteed. Healthcare workers need protection to do their jobs well and ensure the safety of their patients. Trauma informed care must be given to all patients or else healthcare may cause more problems than help.

Thank you for considering this testimony and I look forward to your support.
