Measure, Appointment or Topic: HB4018

Dear Committee on Rules,
This bill is a HARD NO. Oregonians deserve better than what this short session of the legislature is doing. Please stop with your studies that become "gut and stuff" bills. It is underhanded, harmful, and disrespectful. We don't need to study elections. We need to tighten up security through showing ID and make voting in-person again.

Please vote NO on HB 4018!
