Measure, Appointment or HB4105  
Topic:

Dear Co-Chairs Helm and Owens, and Members of the Committee,

I am writing in opposition to HB 4105 and its amendments. This is a terrible bill. It would prioritize clearcutting Oregon forests over other crucial values, such as clean drinking water, clean air, wildlife habitat and outdoor recreation. Our state forests are worth more standing than cut. Please do not prioritize timber harvest over the many other important values these forests offer.

Thank you for the opportunity to comment,
