On Behalf Of:

Committee: House Committee On Agriculture, Land Use, Natural
Resources, and Water

Measure, Appointment or Topic: HB4105

Dear Co-Chairs Helm and Owens, and Members of the Committee,

I oppose House Bill 4105 and its amendments and I hope you do too. Do you want to be part of a slow erosion of our natural resources? People live in Oregon because of the beauty and the nature. Please prioritize protecting this and not increasing logging. There is enough bad happening in the world right now. Do you part to preserve a little beauty? Please oppose this bill. You can only take advantage of nature so much before it comes back to bite you.

Please don't let this bill pass out of committee.

Sincerely,
Stephanie Lundstrom
