Committee:

House Committee On Agriculture, Land Use, Natural  
Resources, and Water

Measure, Appointment or  
Topic: HB4105

HB 4105 would undermine protections for Oregon's state forests by putting clearcuts above fish, wildlife, clean water, recreation and other values that Oregonian's cherish in our state forests. This includes jeopardizing the implementation of the Western State Forest Habitat Conservation Plan (HCP) that we have fought so hard for in the past.

Thank you for your consideration.
