Measure, Appointment or HB4153
Topic:

My Name is Jessica Ubel and I am a community member in Eugene. I am writing to you today to express my opposition to HB 4153 as it is written and the -2 amendment. Farm stands are a vital part of connecting the public with our food system and building an understanding of what it takes to go from field to fork. But HB 4153 as it is written would restrict who is allowed to have a farm stand, replace current definitions with Farm Stores, and give large land owners privileges at the expense of small farm stands in Oregon. We need to find a better solution.

I care about this because I grew up a farmer's daughter and know first hand how hard farming is for small farms. Small farms need to have the same opportunities to sell their produce as larger farms. They should not be penalized for simply being smaller. It is inequitable and will put smaller farms out of business, a devastating effect that unfortunately, my family experienced.

We are asking you to not have a higher burden on the smallest farms. This bill takes away opportunities from small land holders and farms in order for larger operations to be able to host more events. This is not a good bargain for Oregon and a better deal must be found.

Thank you,
