Attention Senate Committee on Housing and Development, I don't like your wording on this Bill. I oppose this SB 1552 Bill.

The Act should say that BEFORE the County Clerk puts her Stamp on that document, she must contact the legal owner of the property. The legal owner of the property must clarify which real estate company, insurance company, or financial institution has permission regarding anything to do with your home title.

#### **HOME TITLE THEFT IS PRESENT IN OUR SOCIETY.**

Actually, it would be better if the owner of the property and the agent were present at the County Clerk's Office together.
