Attention Senate Committee On Housing and Development. I oppose the SB 1578 Bill, which allows counties with a population density of less than 30 people per square mile to rezone up to 50 acres to be divided and developed for residential dwellings of at least five units per acre. This almost sounds like a CHINA LAND GRAB!

Just Saying "We don't have enough Farm Land in Oregon. Oregon requires way too many regulations on farmers as it is. "
