I OPPOSE [SB 1593].

There are many sports related businesses in Oregon with corresponding as many ways (if not more) for people to become seriously injured or killed.

[SB 1593] is an unconscionable piece of Legislation for it serves to shield from Liability the full extent to addresses the injured parties.

The cost of insurances is on the rise, some who live in rural Oregon have seen their fire insurances for their homes triple or even canceled outright but I digress.

***The insurance costs to sports providers must address the complexity of rights of the injured parties.
