

Submitter: Debi Stromberg  
On Behalf Of:  
Committee: Senate Committee On Judiciary  
Measure, Appointment or Topic: SJR203

Dear Decision-Makers,

In order to prevent terrorizing of our Oregon residents, it is essential that law enforcement can be clearly visible and identified. Masking emboldens heinous and illegal actions, and makes it nearly impossible to hold law enforcement accountable for any crimes committed. Please allow the people of Oregon to vote on this proposed amendment to our state constitution.

Sincerely, Debi Stromberg  
Milwaukie, Oregon
