Committee: Senate Committee On Commerce and General Government  
Measure, Topic: SB1593

My wife and I are the owners of RL Guide Service we are a Fishing & Sight Seeing charter. We use liability waivers. It's important that these liability waivers be honored the people that want to go on our adventures know that it is an adventure, and nothing in life is without some sort of risk we make that perfectly clear through the liability waiver. We are in support of this Senate bill.
