Measure, Appointment or Topic: HB4105

To whom it may concern,

As a camping enthusiast, naturalist, and an Oregon voter I vehemently oppose timber harvesting and other cutting of state forests . Such activities would negatively impact crucial habitats of beloved wildlife and would be a terrible detriment to wuality of life for Oregon families now and in the future. Please do the right thing and vote NO on HB 4105! Thank you for your time and attention and for all that you do.
