On Behalf Of:

Committee: House Committee On Housing and Homelessness

Measure, Appointment or Topic: HB4113

Chair Marsh, Vice-Chairs Breese Iverson and Andersen, and Committee members:

I am writing today to ask you to oppose HB 4113.

As an Oregonian, I value the land use principles that help keep our state healthy environmentally and economically. Upholding our land use system is key to both.

This bill would benefit one private stakeholder at the expense of our land use system. With this precedent, other developers will be encouraged to challenge established land use regulations, which will further threaten crucial environmental values in Oregon. With so many other important priorities in front of you, I hope you will quickly reject HB 4113.

Sincerely,
Patricia Green
