

Submitter:	Janet Bright
On Behalf Of:	myself
Committee:	House Committee On Health Care
Measure, Appointment or Topic:	HB4155

My daughter is a teacher and wants to be a parent, but without fertility coverage it's financially out of reach. She has spent her adult life caring for other people's kids. Teachers who care for our kids deserve the same chance to have families of their own. Fertility treatment is healthcare, and our educators deserve healthcare.
