

Submitter:

Kari Westlund

On Behalf Of:

Committee:

House Committee On Revenue

Measure, Appointment or Topic:

HB4148

Current allowed uses of TLT are aligned with efforts to promote economic development through tourism using related tax revenue. Please oppose efforts to weaken this important alignment. Broad services should be funded through broad revenues, not industry-specific taxes.

I urge you to oppose HB4148. Thank you for the opportunity to comment.
