

Submitter: Laurie Macdonald  
On Behalf Of: self  
Committee: Senate Committee On Housing and Development  
Measure, Appointment or Topic: SB1578

Keep Oregon Oregon. Oppose SB1578. The state of Oregon is admired for its mix of natural, rural and urban lands, and for implementing measures that maintain the tangible and intangible value of each. What would be a blister of development on agricultural land could be well planned, welcomed enhancements in developed areas, resulting in more efficient, resource wise and intact community types throughout the state.
