

Submitter: Ann Flaharty
On Behalf Of:
Committee: House Committee On Emergency Management and
Veterans
Measure, Appointment or HB4100
Topic:

Hello

Major companies should be accountable and have the funds to clean up any oil or fuel spills that wreak havoc on communities, wildlife and ecosystems. We must work to prevent disasters in our communities to protect people, wildlife, water and air.

I support HB 4100-01 with amendments.

Please vote in support.

Thank you

Ann Flaharty
