On Behalf Of:
Committee: Senate Committee On Judiciary
Measure, Appointment or Topic: SJR203
Honorable Chair Senator Prozanski and Members of the Senate Committee on Judiciary.

Thank you for your important service to the people of Oregon.

Thank you, as well, for the opportunity to provide support for SJR 203.

To hold law enforcement officers accountable for misconduct, they must be able to be identified. Displaying their agency name and badge number is only right! They must also be unmasked. Even clerks in big box stores wear badges and are unmasked. Surely we can expect the same or more from those who are meant to be our public servants.

Visual, facial identification is required for clear communication and to build trust between law enforcement and the public.

I urge you to approve SRJ 203 and give the citizens of Oregon the chance to vote on an amendment to the Oregon Constitution.

Sincerely,
Denise Jessup
