

Submitter: Mary Lou Emerson
On Behalf Of:
Committee: House Committee On Emergency Management and
Veterans
Measure, Appointment or HB4100
Topic:

Please support HB 4100 that requires owners and operators of bulk oils or liquid fuels terminals to obtain a certificate of financial responsibility from the DEQ. This bill would protect our community from bearing the cost of a catastrophic event that could result in a toxic environmental disaster.

Sincerely,
Mary Lou Emerson
