Committee: House Committee On Agriculture, Land Use, Natural Resources, and Water  
Measure, Appointment or HB4105  
Topic:

Dear Committee Members, I am a 40-year resident of Oregon, a retiree from the private and public sector, a taxpayer and voter, and I urge you to oppose HB 4105. It is unnecessary and expensive and we already have solid guidelines in place. We must protect what we have left in Oregon's natural environment. Please do not pass this bill out of committee. Thank you on behalf of all current and future Oregonians.
