Resources, and Water

Measure, Appointment or Topic: HB4105

Dear Co-Chairs Helm and Owens, and Members of the Committee,

I oppose House Bill 4105 and its amendments. This bill does not facilitate sustainable logging practices in Oregon's forests. Rather, it prioritizes clearcutting over all other considerations, including clean drinking water, clean air, wildlife habitat, and outdoor recreation. Please reject this bill in favor of a more sustainable and sensible approach to maximizing the value of our forests for Oregonians.
