

Submitter: Amanda Stephens

On Behalf Of:

Committee: Senate Committee On Health Care

Measure, Appointment or Topic: SB1570

Chair and Members of the Committee,

My name is Amanda Stephens, and I am a registered nurse in Oregon in strong support of SB 1570. When patients fear immigration enforcement in healthcare settings, they delay or avoid care, putting lives and public health at risk. This bill protects patient privacy and ensures hospitals remain places of healing, dignity, and trust.

Thank you for your consideration.
