On Behalf Of:

Committee: Senate Committee On Judiciary

Measure, Appointment or Topic: SB1587

Honorable Members of the Senate Committee on Judiciary,

Thank you for your service and for this opportunity to testify in support of SB 1587.

As a former Licensed Marriage and Family therapist, I know the importance of protecting personal data.

Please support SB 1587. It protects Oregon citizens' privacy by prohibiting data brokers from selling or providing brokered personal data to civil law enforcement, unless a court issues an order or judicial warrant. SB 1587 also empowers people harmed by nefarious data brokers. SB 1587 allows Oregonians to file lawsuits for economic and noneconomic damages from data brokers who disobey this law.

Please vote in favor of SB 1587.

Gratefully,
Denise Jessup
