Measure, Appointment or Topic: HB4105

Dear Representatives,

I am a voter in the beautiful state of Oregon. I urge you to vote NO on HB 4105.

We are lucky to have coastline, forest, mountains, and desert in our state. We have owls and salmon.

We have stands of tall evergreens and roaring rivers.

Please protect our state forests from clear cuts, especially those above rivers and streams. Runoff harms our ecosystem. Our natural environment is a habitat for animals and a refuge for citizens.

Thank you for your commitment to Oregon and its people. Vote NO.

Sincerely,
Diane Ingle
