Chair Prozanski, Vice Chair Thatcher and members of the Senate Committee on Judiciary,

My name is EmilyFrank, and I live in Portland. I am writing to testify in strong support of Senate Joint Resolution 203, which if passed would propose a constitutional amendment to voters on whether there should be a constitutional amendment banning the use of masks by law enforcement officers and requiring them to wear uniforms with badge numbers. The practice of masking by law enforcement is not only dangerous to public safety but it erodes the trust of the citizens they are supposed to be protecting.

My support for SJR 203, comes from live & recorded aggression, cruel & illegal actions of people whose consciences were bought off with \$50,000 of our taxpayer money to attack, threaten, physically harm people doing life; homes, churches, schools, courthouses. These individuals & their toxic leaders must be put on notice, "Not in our state, not in Oregon!".

SJR 203 will demand lawful behavior of the "meatheads", "nincompoops", and corrupt, incompetent "mongers of misery" to unmask, show judicial warrants, & cease throwing chemicals at legal protesters exercising their constitutional rights...return them to their "caves".

And finally, pass SJR 203! Oregonians will not be intimidated.

Respectfully

Emily Frank
