Measure, Appointment or HB4153  
Topic:

My Name is Gloria Foxman and I am a Eugene resident writing to you today to express my opposition to HB 4153. This bill imposes a high burden on the smallest farms. Any size farm should be able to sell their produce on their land. By restricting this practice, HB 4154 infringes on the property rights of farmers and Oregon landowners in general. As a frequent patron of local farms, I stand with farmers and their right to earn a living.

Sincerely,  
Gloria Foxman
