

Submitter: Julia Hungerford  
On Behalf Of:  
Committee: House Committee On Agriculture, Land Use, Natural Resources, and Water  
Measure, Appointment or HB4153  
Topic:

I believe eliminating farmstands and the ability for small farms to create produce stands near their farms should not be infringed on nor taken away entirely. We are in a terribly uncertain time economically and farmers deserve the ability to continue to sell their wares locally through their own farm stand. There is no reason to deny them that ability, please don't.
