

Submitter:

Tara Michelucci

On Behalf Of:

Committee:

House Committee On Agriculture, Land Use, Natural
Resources, and Water

Measure, Appointment or
Topic: HB4153

It should be legal without paying for a permit which may be prohibitive for those that have extra food to share and earn from.

This measure is one more step to removing autonomy from people to make and trade or sell our own food rather than be reliant on big grocery industry.
