Hello. I'm a farmer here in Oregon. Just outside of Oregon City. It's tough to make ends meet here. I've actually had to take an outside job so I can pay my ever increasing bills and taxes. I don't know how much longer it's sustainable and I sure don't see how anyone just starting off could afford to be a farmer and steward this beautiful land. Please consider supporting us and this bill. We would appreciate it. While you're at it could you consider lowering the excessive fees and burdensome paperwork it takes to get permits to do things around here? I'm a farmer not a bureaucrat.

Thanks. Much appreciated.

Ben McCune.
