Measure, Appointment or Topic: SB1578

I am writing to communicate my concern regarding Senate Bill 1578. In my view, it violates the very principles embodied in Oregon's land use program.

I had the privilege of working with Tom McCall, Henry Richmond, and other pioneers to safeguard Oregon's unique qualities and economy. If we are not diligent now in protecting what we have all enjoyed, it will not be available for the next generation—and that would be heartbreaking.
