Committee: House Committee On Housing and Homelessness

Measure, Appointment or Topic: HB4113

Chair Marsh, Vice-Chairs Breese Iverson and Andersen, and Committee members:

I am writing to express my opposition to HB 4113.

Oregon's approach to land use has been fundamental to protecting our communities, economy, and natural resources. Weakening that framework would set a troubling precedent.

HB 4113 appears designed to serve a narrow private interest rather than the broader public good. At a time when the legislature faces numerous critical challenges, I urge you to decline advancing this bill.

Sincerely,
Claire Sisterhen
