

Submitter:

Kathleen Krohn

On Behalf Of:

Committee:

Senate Committee On Judiciary

Measure, Appointment or Topic:

SB1516

Please support the SB 1516 to counteract the hate & violence that has increased in our nation. We must protect our public officials or no reasonable citizen will want to run for office. Whereas the judicial system in our state wants to protect the criminals over its citizens, this is a step in the right direction.

Thank you for supporting SB 1516!
