Dear Sirs

My company and many others have dedicated their time to help make Florence the destination city that it is and we desperately rely on these funds that help us as a small business to keep bringing tourism to the Florence area.

"So I sincerely urge you to oppose HB 4148. Transient Lodging Tax funds dedicated to tourism promotion are a proven economic development tool that supports local jobs, small businesses, and community vitality—especially in rural and coastal communities. Diverting these funds will reduce visitor demand and weaken local economies. Please maintain the current allocation that allows tourism promotion to continue driving sustainable economic impact."

Respectfully,  
Jim Donohue
