I encourage you to vote NO on moving the election date for SB 1599. The people of Oregon have spoken, we have overwhelmingly spoken and signed a petition that explicitly states that we want to vote on this petition in the general election in November 2026. Please don't disenfranchise the Oregon voters by overriding their voices. Do the RIGHT thing! Remember back to the time when you entered politics for the people. Now is the time to give the people of Oregon back their voice. Oregonians deserve this!
