SB1587

Honorable Members of the Senate Committee on Judiciary, thank you for this opportunity to testify in support of SB 1587.

Please support SB 1587. It restricts data sharing by prohibiting data brokers from selling or providing brokered personal data for purposes related to civil law enforcement, and unless a court issues an order or judicial warrant. SB 1587 provides legal recourse if a data broker violates this prohibition. Individuals can file a lawsuit to seek economic and noneconomic damages. SB 1587 directs the Department of Consumer and Business Services to impose civil penalties on data brokers who violate the law.

Personal data should be private and protected.

Thank you for the work you do on behalf of the people of Oregon. I urge you to vote in favor of moving SB 1587 out of committee and onto the senate floor, where it will hopefully be passed.
