On Behalf Of: Myself and Oregon Citizens  
Committee: Joint Special Committee On Referendum Petition  
2026-302  
Measure, Appointment or  
Topic: SB1599

Leave the measure as it was originally voted on and submitted. Block any politician from changing the will of the citizens who asked. And voted as originally written for vote in November's ballot.

Stop Tina Kotek from Cheating what the State of Oregon Citizens want, to her own agenda not representing us, we the people, allowing us to make and vote our own decisions not those of the minority Politicians as some and separate individuals separate from the people of the state of Oregon.
