

Subject: HB 4153

Dear House Committee on Agriculture, Land Use,
Natural Resources and Water

I am writing to support HB 4153. As an Oregonian who respects and cherishes local agriculture and hard working farm families, not to mention the history of Oregon farms, this needed bill will help provide protection and clarity to farm families who have farm stands and agrotourism. This in turn will help our wonderful state in welcoming visitors, educating the public and keeping our rural economy strong.

Thank you for listening.
