Measure, Appointment or  
Topic: SB1599

The people's petition to allow Oregon voters to have a voice in the proposed taxation measures by Governor Kotek was always slated to appear on the ballot in the November 2026 general election. The state Legislature and Governor Kotek should not be allowed to manipulate the election cycle in order to subvert the electoral process and to attempt to "game" the system for their political advantage. Keep this measure on the November ballot and stop playing politics with the people's rights.
