

Submitter: Richard Atwater

On Behalf Of:

Committee: House Committee On Rules

Measure, Appointment or Topic: HB4018

The will of the Oregon populace was made clear on previous ballot measures on campaign reform, over 87% supported strict limits. Yet again the Oregon Legislators are letting big money interests write the rules. This is not acceptable and will have consequences in subsequent elections. I urge our legislators to adopt strict campaign expenditure limits without any concessions to big money interests on either side of the aisle.
