Committee: Joint Special Committee On Referendum Petition  
2026-302  
Measure, Appointment or  
Topic: SB1599

Oregonians need the Referendum moved to the May ballot. The lingering uncertainty will only further damage the entire ODOT system. Moving this to the May ballot still affords every Oregonian the opportunity to vote - every single one. It's crucial to our state. Please move this to the May ballot.

Please also remember that more than Operations and Maintenance are not the only division of ODOT impacted here.
