Measure, Appointment or
Topic: SB1599

Moving the vote on SB 1599 to the month of May is being pursued for one reason only, that reason is because when the SAVE ACT passes, Oregon will not be able to rely on their mail in ballot procedures to get the results wanted. This is trying to rig the results with no regard for the wishes of Oregonians! Oregonians met the requirements to have this measure on the November ballot, yet Oregon politicians are serving their own interests first.
